Notice

RGCA/MFHP/ 3.20/TECH/2012-13 dated 01.12.12

Marine Finfish Hatchery Project, Rajiv Gandhi Centre for Aquaculture propose to dispose 5 tons of cobia fish in the size range of 3 - 4 kg produced in the sea cage demonstration farm at Muttom near Nagercoil, Tamilnadu. The proposed date of sales of fish commences from 12.12.12. The fish can be inspected by interested parties at the cage farm site in Muttom Fishing harbour. Interested parties willing to take the cobia fish from the sea cage farm at Muttom may quote their best rates by email / by hand/ speed post with rate per kg of fish to the Project Manager at the above address on or before **10th December 2012, 4 pm.**

On confirmation of quotation the selected party is required to pay the full amount in advance at this office before commencing the harvest.
